

Alaska State Legislature

Date: January 17th, 2023

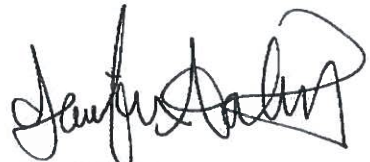

To: Members of the Alaska State House

From: Members of the Alaska House of Representatives

Re: Sense of the House – House Staff

I move that it be the sense of the House that all session staff temporarily authorized for employment during the 33rd Alaska State Legislature be authorized using session funding until the House is organized to do business. The authorization for each employee will be effective the date of the temporary authorization. The retention of additional session staff for the 33rd Alaska State Legislature not previously authorized will require joint approval from Representatives Louise Stutes, Bryce Edgmon, Cathy Tilton, and Laddie Shaw. The authority of Reps Stutes, Edgmon, Tilton, and Shaw to jointly authorize staff expires once the House is organized to do business.
